ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining.

□ 1913

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

Stated against:

Mr. FILNER. Mr. Speaker, on rollcall No. 164, I was away from the Capitol due to prior commitments to my constituents. Had I been present, I would have voted "nay."

Mrs. NAPOLITANO. Mr. Speaker, on Tuesday, April 17, 2012, I was absent during rollcall vote No. 164 due to a family health emergency. Had I been present, I would have voted "nay" on Final Passage of H.R. 4089—Sportsmen's Heritage Act of 2012.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 3288

Mr. CHAFFETZ. Mr. Speaker, I ask unanimous consent to have my name removed as a cosponsor to H.R. 3288.

The SPEAKER pro tempore (Mr. BROOKS). Is there objection to the request of the gentleman from Utah?

There was no objection.

JOBS

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, the March employment report continues to show us that the Federal Government has not been helping to create jobs in our economy. A Wall Street Journal editorial from April 9 highlighted a few examples from the report. Here is one extremely startling statistic:

The labor force participation rate—or the share of civilian population that is working—dropped again to 63.8 percent. In March, 2009, a month after the \$800 billion stimulus passed Congress, the labor participation rate was nearly 2 percentage points higher, at 65.6 percent.

This is a prime example that continuously throwing money of hard-

working taxpayers that the Federal Government takes from them at the problem will not solve it. We need real solutions that will stimulate our proven economic engine: small businesses. That's why I support the Small Business Tax Cut Act that will help 22 million hardworking small businesses retain and create more jobs.

THE MEDICARE ORTHOTICS AND PROSTHETICS IMPROVEMENT ACT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to bring attention to H.R. 1959, the Medicare Orthotics and Prosthetics Improvement Act. This legislation has been designed to improve the quality of orthotic and prosthetic care and reduce fraudulent payments for orthotic and prosthetic services under Medicare.

This legislation would require the Centers for Medicare and Medicaid Services to reimburse only those providers who have been accredited or licensed in orthotics and prosthetics. The legislation also would require CMS to report to Congress on its enforcement efforts to reduce fraud and abuse. Fraud and abuse contributes not only to rising costs, but it also harms patients, particularly when medically necessary devices are arbitrarily provided or without qualified providers.

Mr. Speaker, we need to collectively look at ways to create savings by combating waste, fraud, and abuse in the Medicare system. This legislation will enhance patient care and ensure that Medicare fraud is addressed, particularly when the fiscal solvency of the Medicare program is in question.

GSA GONE WILD

(Mr. POE of Texas asked and was given permission to address the House for 1 minute.)

Mr. POE of Texas. Mr. Speaker, it's party time at the General Services Administration. The good times rolled in Las Vegas, where the GSA spent over \$800,000 of tax money on a conference for 300 people. Now we learn that back in 2010, the GSA employees escaped their marble palace in Washington, D.C., and jetted off to Sin City for a taxpayer-funded high-dollar boondoggle. This so-called "conference" included a \$31,000 reception, fancy awards, food, wine, lavish suites with bubbling hot tubs, clowns, swanky parties, iPod giveaways, and even a mind reader. This kind of lavish spending is exactly why Americans don't trust the government with their money.

But what happened in Vegas just didn't stay in Vegas. A GSA whistleblower snitched off the bureaucrats-gone-wild bunch. Now, GSA officials are folding their cards, cashing in their chips, and resigning. The day of reckoning has come for those who played
